To assist in managing this time constraint we would be pleased to receive your "Mountain Reports" in writing on or before Saturday 31 October 2009 so they may be circulated with the 2008 AGM minutes prior to the meeting.

ASPA is administered by volunteers who are elected by you, so please support your organisation. If you are not available to attend please nominate a proxy from a patrol to vote on your behalf; submit your proxy in writing on or before Saturday 31 October 2009, thank you. On the proxy form you also have the opportunity to vote in advance on any resolutions put prior to the meeting.

Please note that apologies for the meeting are required to be in writing on or before Saturday 7 November 2009.

Please also note nominations for committee members are required to be in writing on or before Saturday 7 November 2009.

We look forward to your attendance and participation at the 2009 AGM.
