Subject: Victorian Bush Fires - ASPA Support Program

Attention: ASPA Members
ASPA Associate Members
Ski Patrols
Ski Patrollers
Ski Resorts

To all concerned

ASPA would like to advise you of our intention to support the Victorian Ski Patrols and Patrollers who have lost uninsured first aid supplies, patrol equipment and Patroller's equipment, uniforms and clothing in the disastrous bushfires that occurred during February 2009.

ASPA will collate a list of required supplies and equipment for replacement. Following a review by ASPA, the approved items will be replaced from either ASPA's existing supplies & equipment or by funding for the purchase of new replacements.

This support program will need to be completed and in place for the commencement of the 2009 ski season.

Should you or your organisation like to contribute to the ASPA Support Program and for coordination please contact:

Mr. Rik Head
E: rikh@c3plus.com.au
M: 0419 888 254

If you like to discuss any matters arising from this support program, please contact the ASPA Secretary, as detailed below.

Thank you.

.....
Jonathan G Lillis
