

Rickard Svedjesten, 2009

Rickard was awarded an Honorary Life Membership of ASPA for his services to ASPA during the FIPS congress at Äre, Sweden in April, 2009.

He demonstrated admirably all the skills that we see from top class patrollers, was ever friendly and quick to add a quip and have a laugh no matter what the occasion.

Rick manages a ski resort close to Äre, and has been a supporter of the FIPS movement for some years.
